The academic year has been one of steady growth, reflection, and resilience for Peekay CICS Arts and Science College. Through our commitment to academic excellence, holistic student development, and community engagement, we have made significant strides toward fulfilling our institutional mission.

Our faculty members have continued to demonstrate dedication through innovative teaching practices and impactful research. Students have shown commendable performance in academics, cultural activities, and sports, bringing laurels to the college. Institutional collaborations, value-added programs, and outreach initiatives have further strengthened our role as a progressive educational hub.

While challenges such as evolving educational trends and resource constraints persist, we remain confident in our ability to adapt and improve. As we move forward, our focus will remain on fostering an inclusive learning environment, enhancing infrastructure, and embracing technology-driven education.

We extend our sincere gratitude to the management, faculty, staff, students, parents, and all stakeholders for their unwavering support. Together, we look ahead to a future filled with promise and continued success.
